Beachwood Club Rules & Regulations

Rules and regulations are for the protection and benefit of all members and guests. These rules have been established to assure safe and sanitary operation of the Club's facilities.

Parents, children, and guests are required to observe all rules and regulations of the Club. The Club Manager, lifeguards, and other employees are responsible for the enforcement of these rules without prejudice. Please make their job easier by following their directions. Failure to comply with these rules could be sufficient cause for immediate suspension of club privileges for the offending member at the discretion of the Club Manager, and may also be considered sufficient cause for cancellation of Club membership by the Board of Directors.

A. ENTERING CLUB GROUNDS

1. Drive slowly and park in designated areas only.
2. Place all bikes and scooters in the bike area.
3. Members must identify themselves at the entrance and show identification if so requested; all members and guests of members will be signed in by the employee stationed at the desk.
4. A "Membership Family," for purposes of a Beachwood club membership, is defined as one or two adults and any children aged 24 years and younger permanently residing at one household at a particular address. Adult children aged 25 and over, or any other adult family members such as grandparents, whether or not permanent residents of a Membership Family household, may use the club as a guest under the rules established. For purposes of this subsection, an adult child's age shall be the child's age on the date the club opens for general swimming and tennis use in a particular calendar year. At the club's discretion, the Beachwood Board or staff may ask Membership Families to provide proof of age and residence via a driver's license or student ID, and/or provide a photograph, for any individual purported to be a member of a Membership Family for verification purposes.
5. Members shall ensure that their Membership Family members are accurately reflected on their membership profile in the Beachwood system, which is accessible through the Beachwood Portal. Members are expected to have a profile photograph in the Beachwood system for each Membership Family member, and if one is not on file the office staff will request such photo when the member enters the club.
6. Members must sign and pay for guest's fees at the office. The member signing in the guest must be 16 years of age or older. Guests must be accompanied by the sponsoring member at all times. A guest may visit the club no more than five (5) times in a calendar month, regardless of the sponsoring member accompanying the guest.

    - Guest fee policy: There are various guest fees, depending on day of the week, holidays, and age of guest (child or adult). Guest fees can be found on the Beachwood website.

7. In order for a child aged 12 to 15 to be at the club without a supervising adult, a parental consent form needs to be filled out, found on the website. The online form will require parent/guardian acknowledgement. Children under 12 years of age may not be left at the club without a supervising adult.

B. SPECIAL MEMBERSHIP SITUATIONS:

1. a) A Membership Family may purchase a babysitter pass from club management for $50 per calendar year season. This pass belongs to the Membership Family to use with up to three designated babysitters of such Membership Family. The individual using such babysitter pass to gain access to the club must be doing so in the capacity as a babysitter of the Membership Family, and, as such, the Membership Family's children must accompany the babysitter and the adult Members must not be present during the baby sitter's use of the club. Only one babysitter may use the pass at a time. **The babysitter must be 16 years old or older.**
2. Where a non-club member individual is a divorced parent of a child, and where such child and the individual's ex-spouse are members of the same Membership Family, such individual may use Beachwood as a guest of such child's Membership Family club membership solely where such individual accompanies such child under the rules established in paragraph B.3 above

All party dates must be cleared in advance with the Club Manager so as not to conflict with a previously scheduled event at the Club. Current guest fee policy shall apply for all non-members attending a private party. Note, the party must take place during scheduled hours of operation; the club will not extend regularly scheduled hours of operation in order to accommodate parties.
5. Any unusual situations pertaining to guest privileges should be submitted to the Club Manager for consideration and board approval.
