GRILL USAGE GUIDELINES

$5.00-DEPOSIT IN CAN BY SIGN UP **1 HOUR LIMIT, SIGN UP IS FOR DAY OF USE ONLY**

SAFETY

- **No Starter Fluid: Never use liquid accelerants or starter fluids on a gas grill.**

- **Constant Attendance: A grill in use must never be left unattended by the member.**

- **Lid Protocol: Always open the grill lid before lighting to prevent gas accumulation.**

- **Clearance: Maintain a 3-foot "Safe Zone" from children**

- **Confirm location of Fire Extinguisher in snack shack**

CLOSING THE SYSTEM

1. **Turn off all individual burner knobs on the grill console.**

2. **Rotate the main propane tank valve clockwise until tight (OFF).**

3. **Confirm the dial on the regulator shows no pressure.**

CLEANING

- **Members must return the grill to a state where the next member can immediately begin cooking.**
- **Scrape Grates: Use the provided wire sponge while the grill is still warm.**

- **Empty Trays: Check and empty the grease drip tray if necessary.**
- **Wipe Down: Use a damp cloth to clean the side tables and knobs.**

Notify the pool manager immediately if the propane is low or if equipment needs service.
